Routing #1

Sent To:	Police Lieutenant Ernest Ochoa
CC:	(none)
Sent Date/Time:	12/6/2018 6:45 PM
Instructions from Police Sergeant Aaron Aldridge to Police Lieutenant Ernest Ochoa:	
CAN YOU REVIEW AND FOWARD TO COMMANDER.	
Comments/Response from Police Lieutenant Ernest Ochoa:	
Comments: After reviewing the video, S1 can be seen getting off the stolen bicycle with his hands in the up position. The video also shows Sergeant Aldridge yelling commands for the suspect to "Get off" and "Get Down". The commands are being voiced loudly and it is difficult to clearly hear the intended command. The suspect takes a step backwards, which is seen and described by Sgt. Aldridge. This movement was perceived by Sgt. Aldridge that he was getting ready to flee and, along with him not immediately getting on the ground, are the reasons he deployed his taser. I showed Sergeant Aldridge the Response to Resistance Policy which included the Electronic Devices (Taser) portion and we reviewed it thoroughly. Additionally, I sent the video to DT Instructor and Taser Trainer Officer Brian Ong to review. Officer Ong agreed that the use of a taser in this incident was not appropriate and lesser means of force could have been utilized. Officer Ong agreed to seeing the suspect taking a step back, possibly getting ready to flee, however also noted that the suspect's hands were raised up to see. The suspect on scene did not make a complaint about the use of force nor did he ask for a supervisor. This incident is additionally being documented in Sergeant Aldridge's monthly notes as a training issue.

AA's Taser deployment on Bicycle Theft Suspect. Additional comments have been documented in his people soft notes.	
Comments/Response from Police Commander Richard Bradshaw:	
Comments: I have reviewed this use of force and had a conversation with Lt. Ochoa, and he explained that he covered the Taser deployment policy with Sgt. Aldridge. at this time I am comfortable with this being handled with documentation in the officer notes.
